WELCOME MESSAGE

Dear Esteemed Delegates,

On behalf of the organizing committee, it is with great honor and enthusiasm that we welcome you to the ISACON South zone Conference 2025, being held in the beautiful city of Visakhapatnam. Known for its serene beaches, picturesque landscapes, and rich cultural heritage, Visakhapatnam serves as the perfect backdrop for this prestigious gathering of leading anesthesiologists.

The theme of this year's conference, "Perioperative Medicine – Basics and Beyond," underscores the vital role of anesthesiologists in delivering comprehensive care throughout the surgical journey. From preoperative optimization to intraoperative management and postoperative recovery, this theme emphasizes our evolving responsibilities and the importance of a multidisciplinary approach to improving patient outcomes.

Over the course of this event, we will engage in dynamic discussions, hands-on workshops, and insightful sessions led by renowned experts. These interactions aim to deepen our understanding of the foundational principles of perioperative medicine while exploring innovations that drive our specialty forward.

This conference is not just a platform to share knowledge and ideas but also an opportunity to forge connections, inspire young minds, and celebrate the achievements of our vibrant community. We hope you take the opportunity to not only learn and network but also explore the unique charm of Visakhapatnam during your stay.

We extend our gratitude to our distinguished speakers, sponsors, and partners for their invaluable contributions, and to you, our delegates, for your enthusiasm and participation. Let us together make this event a memorable and impactful experience.

Once again, a warm welcome to all of you, and we wish you a fruitful and engaging conference ahead.

With best regards,

Organizing Committee
